

Barneveld Booster Club

[Minutes from past meetings \(Click here\)](#)

The Barneveld Booster Club exists to assist in the development of a strong school spirit throughout the vicinity, and to provide financial and other support to the extracurricular activities at Barneveld Schools.

Membership in the Booster Club is open to all families having one or more children registered and attending Barneveld. Membership is also open to those relatives of enrolled students, to alumni of Barneveld, and to those individuals or families interested in the Barneveld athletics programs and extracurricular activities.

We are thankful that Barneveld School is so committed to its athletics programs. The school recognizes the importance of athletics and extracurricular activities in building up our students and teaching them valuable life lessons that can be learned by participation in one of our many competitive sports programs and extracurricular activities.

Through these programs our students learn how to:

- set goals and “strive for whatever is excellent and praiseworthy”
- follow and respect authority / coaches
- win and lose with the proper attitude, building character and witness
- they learn to work hard, to be committed and what it means to work as part of a team
- and how sometimes “its not always about me”
- in other cases it gives a student confidence that carries over into other areas of their life they don’t feel quite as confident about, such as academics or social interaction.

Our Barneveld students have made significant achievements in the area of athletics and extracurricular activities. As our programs continue to grow and prosper, our requirements for facilities, equipment and support also grow.

Barneveld School’s budget alone is not adequate to meet the needs of the programs it supports. ***Never has been!! Never will be!!*** It’s just the way it is....but we are not alone.

Barneveld like any other school must rely on the generosity and support of its families, fans and volunteers to supplement the costs and support of its programs.

Recently your Barneveld Booster club approved funds to Barneveld students for these much need expenditures:

- ANNUAL SCHOLARSHIPS FOR A GRADUATING BOY AND GIRL

All made possible by the generosity and support of your Barneveld Booster Club members and other organizations. Due to LOW membership, Barneveld Booster Clubs only fundraiser at the moment is the concession stand for Boys and Girls High School basketball and Saturday Community League!

It takes volunteers donating their time to make these programs work!!

...without your support it would **NOT** be possible. **DO NOT** be surprised if you find the concession stand closed due to the lack of workers!

Your Barneveld Booster club is an integral part of the support and development for our students.

If you have a student involved in Barneveld athletics or extracurricular activities then you too share in the responsibility of supporting your teams with the rest of us!

We encourage everyone to join and actively participate in the Barneveld Booster Club. We depend on the many parents who volunteer their time, talents, resources and efforts to keep athletics and extracurricular activities a viable part of student life at Barneveld. Come help us promote school spirit! There is a place for you!
