

# Barneveld School District Matching Grant

## ***“Donated by...” Book Program***

We are reaching out to families, friends, and businesses in an effort to raise the necessary funds to create a “Book Room” for our K-8 students that will contain books at student’s level of reading and interest. This investment will not only sustain the fundamental reading program for at least the next twenty years, but will also ensure that Barneveld students are equipped with current knowledge, skills and resources to compete on the global playing field of higher education and the world of work.

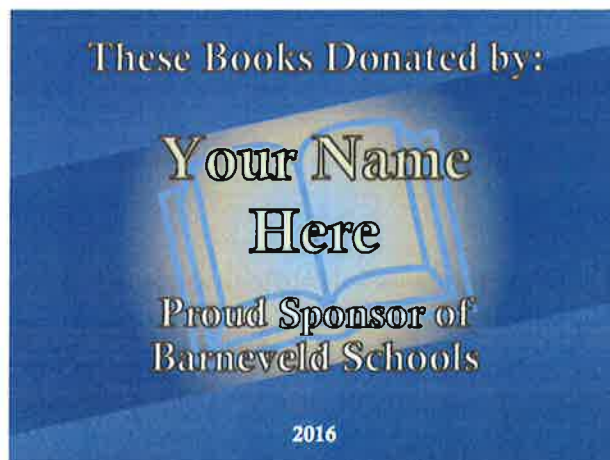

The Barneveld School is pleased to present a unique opportunity to become part of the successful tradition of providing high quality instruction to students. In co-operation with the **Barneveld Education Foundation**, who has committed to **matching funds**, up to **\$15,000**, we can purchase the literacy materials needed with your support. This means that a \$100 donation is really a \$200 donation thanks to the Barneveld Education Foundation.

Family, friends, alumni and businesses can show their support for Barneveld students by displaying their name on a personalized label in our reading materials. A lasting tribute, for the next twenty years, that will have a positive impact on current and future students.

The personalized insert makes a great gift for birthdays, graduations and special occasions. Also, the insert is a special way to recognize family members, alumni, your business, or favorite memory.

**Contributions are 100% tax-deductible gifts.** Personalized recognition of your donation will be displayed in the Book Room by September 1<sup>st</sup>, 2016.
